ABOUT ME

Hi, I'm Abdellah EL KACEM. I'm currently studying at 1337 (42Network) and I'm a designer-developer. I combine user-centred design with front-end coding skills. I'm looking to apply my experience of learning with 1337 and my project-driven mindset to real-world product challenges.

EDUCATION

1337 CODING SCHOOL - Khouribga (UM6P) (2022 - Present)

Focused on coding, algorithms, and web development , and teamwork through real-world coding projects and peer-to-peer learning.

BACCALAUREATE IN PHYSICS SCIENCE - EL JADIDA (2015)

PROJECTS

FT_TRANSCENDENCE - Web Project (React, TypeScript, PostgreSQL, WebSockets)

Designed and developed a full-stack web application featuring a real-time multiplayer Pong game, user authentication, chat systems, matchmaking, and leaderboards. Utilized React, Typescript, PostgreSQL, WebSockets for dynamic, interactive platform.

PROFESSIONAL EXPERIENCES

AURA PRESTIGE TECH - Front End Developer & UX/UI Designer (Jun 2025 - Present)

Worked on designing and developing responsive web interfaces using React, Next.js, and Tailwind CSS. Created modern, user-centered designs in Figma and improved user experience through intuitive layouts and interactions. Collaborated with the team to ensure consistency between design and implementation.

FREELANCE - Graphic Designer & UX/UI Designer (2014 - Present)

Provided graphic design services including branding, and digital visuals. Since 2024, expanded into UX/UI design, creating user-centered website and app interfaces. Delivered creative, functional solutions tailored to client needs across various industries.

JADIDA PRINT's Company - Graphic Designer (2017 - 2022)

Created print and digital designs including brochures, banners, and branding materials. Worked closely with clients to deliver high-quality, creative solutions on time.

TOOLS AND SKILLS

Frontend: HTML, CSS, JavaScript, TypeScript, React, Next.js

Backend: Python, Django, PostgreSQL

DevOps: Docker, Docker Compose, Git, GitHub

Programming: C/C++, SQL

Design: Figma, UI Design, Adobe Photoshop, Adobe Illustrator

Soft Skills: Teamwork, Agile Collaboration
